WHAT'S GOING ON?

FIND OUT HERE!

JANUARY 2023

When a new year comes along, there are certain themes that always seem to play out - goals, resolutions, change. But sometimes it feels a bit played out - and exhausting.

I think sometimes we forget the most important part - looking back at what was. We're so focused on what's ahead that we forget to take into account what we've accomplished, and what we really need that we've missed.

We are, and continue to be amazed at the way our community shows up for our youth through Kinship and the work we do. We finished out the year with two extremely generous grants to our program - one from Valero, and one from the Profinium Achieving Dreams Together Foundation. And those were just two of the big ones - there were many, many other examples of generosity.

By looking back at what we've accomplished in the past year, we are able to look ahead with hope and confidence to the year ahead, with new ideas, new practices, and new plans to make this year - one we can look back on and be proud of.

I am beautiful/  
I am kind/  
I am loved

## COMING SOON

JANUARY OPEN HOURS

THURSDAYS, 4:30-6:30PM

January 5th - Open!

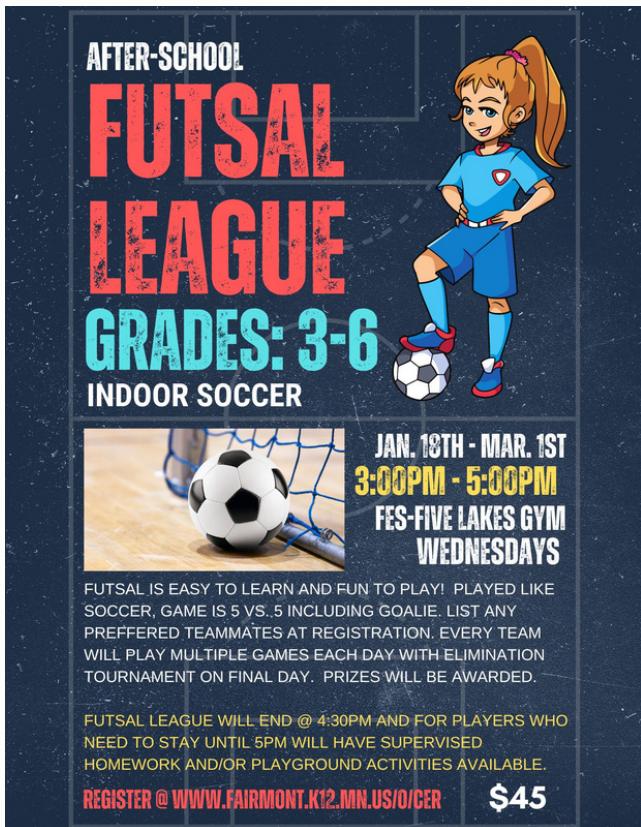

January 12th - Just Dance

January 19th - No Open Hours

January 26th - Open!

# Get Involved!

At Kinship, we've always tried to do what we can to partner with events going on in the community. This year, we're going to post one free event in the community and one paid event that is available in our area! And remember - we have scholarships available - just reach out if you want to know more!

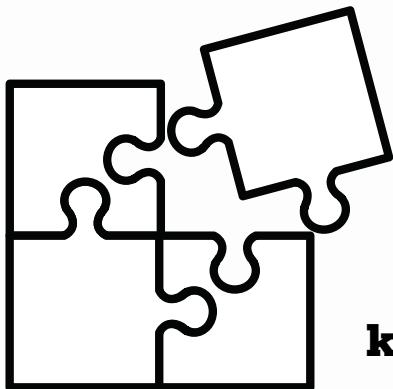

# CONGRATULATIONS

JANUARY MATCHIVERSARY  
ZOEY AND BETH - 6 YEARS!

## January is National Mentoring Month!

While this month's newsletter might look a little sparse compared to other months in terms of what's going on, it's because there's SO much going on that we had to make a flyer IN ADDITION to the newsletter to fit it all! Check out the flyer we sent along with the newsletter in the email to get all the details - particularly our event going on this weekend at Bowlmor, and our Mentor Appreciation Event coming up on the 18th!
